COMMUNICATION

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

On May 26, 2006, Applicants filed a Petition to Revive the above-identified application together with an Amendment canceling Figure 1C from the application. In the Amendment, Applicants authorized the Office to charge any fee due in connection with the present application to Deposit Account Number 50-3013. This paper is supplemental to these two submissions.

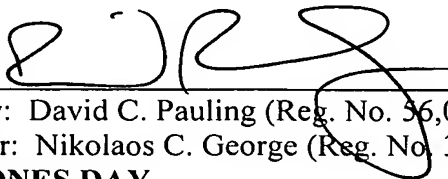

Applicants recently became aware that an Notice of Allowance was mailed by the Patent Office on February 13, 2006, and thus that the Issue Fee for this application was due on May 13, 2006. Applicants inadvertently did not pay the issue fee prior to the deadline of May 13, 2006, and hereby state that the delay in filing the instant paper from May 13, 2006, to today, July 17, 2006, was unintentional.

Accordingly, Applicants hereby request that the Patent Office treat the Petition to Revive the instant application filed on May 26, 2006, as effective to revive the application from abandonment for failure to pay the issue fee. Further, Applicants hereby request that the Patent Office treat the authorization to charge Deposit Account 50-3013 for any fee due in connection with the instant application found in the amendment filed May 26, 2006, as authorization to pay the issue fee in connection with the present application.

It is believed that no fee is due in connection with this submission. However, should the Patent Office determine that a fee is due, please charge the required fee to Jones Day Deposit Account No. 50-3013. A duplicate of this sheet is attached. If any issues remain, it is requested that the undersigned be contacted at (650) 739-3949.

Respectfully submitted,

Date: July 17, 2006
